October 15, 2563 B.C. **HARDCORE MECHA** is a 2D action platform game with a passion for classic robot designs, aiming to maximize the gaming experience by focusing on . â€Ž: "one I want to start this project with a little introduction. I want to be able to share my creativity with other people. I want this to evolve and develop into a game that I can show people so they can play it and not just enjoy looking at screenshots of it. In the beginning, it was only for me, playing it at night. After a few weeks I decided that I liked it and wanted to make it available to the public.
