
can also team up with a random host for a mission. At the end of the mission the host will give you a result. If you're able to defeat more players, you will win that mission. Your friends will also get notified about your status in real time. Your friends will also be able to join the game in a private match. The game also lets you know when your friends are on a mission or ready to battle. You will also get notified when your friends are in your match or battle. In Arena mode you can pick 1 of 15 maps which include past and new maps as well as a separate survival mode. You are able to find players on five different servers. You are also able to change your players to be either pvp or pve and you can also choose the difficulty. The game lets you play on off and on all day every day. Currently the game is free to play. It features 6 characters to fight as. Some of the characters will offer you a different style of gameplay. Characters include the medic, sniper, shotgun, axe-wielding commando, chainsaw and the bazooka wielding commander. You can also kick your teammates off a 3da54e8ca3
