exercises from T.M.Apostol,
Calculus, vol. 2, Problem No 1.
Mathematical Analysis with
Applications. 3rd Edition. Tom M.
Apostol. Tom Apostol.. The full
solution. 1. 1. 1.Crime: Two
arrested in link to youth's
murder Two people have been
arrested in a murder
investigation related to a
12-year-old boy found dead in the
Santa Ana River canyon last July.
Los Angeles police detectives
arrested a man and a woman
Thursday night on suspicion of
murder and attempted murder in
the death of Lauryn Drouete, the
victim's mother was shot in the
leg and her sister was also

seriously injured during the July 19 incident in the 1100 block of Brea Canyon Road in Orange, according to police. The man and woman, whose names have not been released, were booked into the Orange County Jail about 8:30 p.m., police said. They were also taken to the hospital for treatment of minor injuries suffered during their arrests. The man and woman are not Drouete's relatives, according to Los Angeles police Detective Dave Neiman. Police obtained an arrest warrant on Thursday and the suspects' names were not released because detectives did not want to tip off the suspects who may have fled the area, Neiman said. Detectives are not releasing

further details about the incidents because the arrests are related to the ongoing investigation into the fatal shooting, Neiman said.

Authorities found the body of the 12-year-old girl a few blocks from where her mother was shot in the leg. The body was found in the waterway that connects the Santa Ana River to the Tustin River, according to police.

Anyone with information about the shooting is asked to call Lt. Warren Oates at 714-522-0723.
