
Total War Shogun 2 Console Commands

I like to play with an open map whenever I play any Total War game. I was wondering if this could be done in the new game Shogun 2. I... I have a card and I want the player to make a move that matches that. Can anyone point me in the right direction I used this command to get cards that match but it doesn't seem to work with this new game. `give_fold_map` I have a card that I want to play, but this command does not work. The command on the card I want to play is the following one, but I don't know how to use it. `give_fold_map`
