
Divx Plus Web Player Html 5 Download

[Download](#)

Hi Microsoft - DivX already supports H.264 with HTML5 in Firefox (DivX Plus Web Player) and get consistent video support across all major web browsers. We continue to publish materials about the Opera browser, which, we hope, may be of interest to our users. Today we will talk about a new extension for Opera - Opera Link. This extension is designed to synchronize bookmarks, passwords and extensions between computers that use the same Opera account, allowing you to conveniently and securely manage on multiple computers. When Opera Link syncs, bookmarks, passwords and extensions are moved
