BlazBlue: Cross Tag Battle is a fighting game developed by Arc System Works and published by Bandai Namco Entertainment and in Japan by Namco Bandai Games. It was released in arcades, the PlayStation Vita and PlayStation 3 in December 2015, and in arcades, the PlayStation 4 in December 2016. It is the fifth game in the BlazBlue series and a continuation of the events seen in previous games and arcs. It is also the first game in the series to be released outside Japan since the release of BlazBlue: Continuum Shift II in 2013. In addition to the regular edition, a special edition and Platinum Edition version have also been released. While the special edition is available as a physical or digital download, the Platinum Edition is only available as a digital download. It features updated graphics and additional content, such as in-game trading cards,

artwork, soundtracks, concept art, and wallpapers. The BlazBlue: Cross Tag Battle special edition and Platinum Edition were released in North America, Europe, Australia, and New Zealand on 02/10.
