Features Key:

- All scum Heroines are modeled by 7Young Sexy Nubile Babes stuffed in a Black Leather Leather Jacket.
- Slime is a deadly and venomous secret enemy which can mutate into animal and a few humanoid forms..
- Slime Wall in front can take any damage and heal them with slime.
- Slime are fortify.
- Slime can turn invisible and teleport to other places and levels
- Slime take a any hit form and instead of damage take cast magic, fire, elemental and more spell from the yellow. This enemies are very slow.
- Slime are resistant to enetering scales the black
- Slime already at price 100 gold for every character
- Slime have combine defense up to 20 and can damage rather large creatures (over every two dragons) but will drain a lot of any magick stat.
- Enemy slime origin is central wormhole
- Slimite are a green friendly race and can combine first weapons/armor or magick spells into a single spell
- All heroines are beautiful, all exotic and exotic looking from the 7Young Sexy Nubile Babes and they are adventurous, intresting and exciting once they will have sex with you... okay they really not difficult (a face in a face if you will) but be aware if you don't pay you get locked in and the keybox stays at the boss heroine until you pay.
- All heroines are completely originall colored which can be any color from comfortable to lively to classy.
- all heroines work in the same dungeon, any one of the heroines, most memorable in story and most memorable in game play (who?) is the Queen.
- She change a dungeon so every time you play a different dungeon
- The Black key are still for queen but unlocked after you have rescued her... You just can't have the queen first... so all dungeon are identical with only differ in their 2 most memorable heroines a group of girls and/or pair and three slides
- Enjoy of this dungeon and collect all the clues

**Teleglitch is a psychological survival horror game created by Toxic Games and developed by Robert LoVerde, and Patrick O'Keefe. Both are veteran designers and developers of some of the most popular games on the Nintendo eShop including, Super Paper Mario, 10000000, Moon, and The Witcher series. In Teleglitch, players take on the role of Trevor, who awakens one day in an abandoned spaceship with a head injury. Players must explore the spaceship and complete T3P's sinister experiment to regain the use of his body and escape the ship. The game is designed to drive players' emotional and psychological responses toward the relentless pursuit of escaping the ship. Players will make decisions that influence their environment, cause the game's AI controlled characters to make decisions and act in the world, and determine how events unfold. The decisions players make influence the themes of the game's intense and disturbing story. -----
What's in this version? v1.02 (Fixes and performance enhancements. ----- General Notes**

***The game's graphics look beautiful, but I had to reduce the visual settings to avoid displaying any excessive graphical glitches. All new cutscenes are full-screen. *There is a framerate drop and occasional ghosting effect on the Teleglitch: Die More Edition title screen. *The Teleglitch: Die More Edition title screen UI can be locked in place. *The game's soundtrack includes five music tracks. *Due to unexpected issues, some music tracks can appear at the wrong time during the game. Other important updates include: + All graphics and textures are now non-repeating. + The game now uses non-removable memory. + The opening title screen has been streamlined. + Some in-game graphics have been tweaked. + The game no longer drops the player's weapons if they die. + Touch-based controls have been added. *Touch controls work on most Android devices, including phones and tablets. Touch controls have been tested on Samsung and Motorola devices. Technical Notes: *For most Android devices, including phones and tablets, touch controls are supported. *Due to unexpected issues, touch controls do not work for some users. *The game's graphics look beautiful. Players should adjust the**
