Zero Gravity offers the ultimate VR experience. Manned from a pressurized pod, guided by virtual reality using your eyes and ears, you can immerse yourself in a network of stunning sights and sounds in outer space, and explore it all from an entirely new perspective. An astronaut's first view of Earth below, each backlit pixel, each planet and ocean is an unreplicated, mind-bending sight. And even when you're not viewing the Earth, you are on it. For the first time ever, viewers can watch the impact of space debris from near or far. Home expands humanity's ability to examine our home and ourselves, and allow you to be a bystander, a scientist, a poet, a dreamer, or a wizard, when in this vast immensity. Features: Languages Supported: English, French, Spanish, Italian, German, Portuguese, Russian, Japanese. The latest VR title from the award-winning studio behind the critically acclaimed Lone Echo and Echo Arena is now available on PlayStation VR for \$19.99. In Echo Combat, players must prepare to defend against deadly attacks in the desperate struggle to complete their mission. Experience all of the thrills of a vibrant third person shooter in this standalone expansion to Echo Combat, available today exclusively on the PlayStation Store. "We are thrilled to bring our brand new standalone expansion to PlayStation VR," said Arjan Brussee, creative director at Survios. "Echo Combat delivers on the intensity and action-packed gameplay of our original game, while adding new content and a fresh take on third person shooting." Echo Combat kicks off with a missions that sees players battling to rescue a downed pilot aboard a Soviet-era fighter jet. The missions are set in the brave new world of the Echo Combat universe, where personal lives and friendships are violently torn apart. Echo Combat is the fourth standalone expansion for Echo Combat, where players must prepare to defend their base against hostile forces. In Echo Combat, players experience intense levels of close quarter combat, destructive weapons, and devastating vehicles. Echo Combat is playable entirely on your own in single player or in cooperative play with friends. For updates on the game, follow us on Facebook, or Twitter, or check out the official website. Echo Combat is available today on the PlayStation Store for \$19.99 and comes with the standard version of the base game. Earlier this year, Survios released Echo Arena, the second free-

Castle Flipper Crack PC/Windows

The Last Shot puts you in the shoes of a man in the middle of a war. When the city's infrastructure starts to fail under the strain of endless conflict, you become the engineer tasked to save the day. Don't expect your usual action-adventure formula. You're a cog in a very complex world, and the puzzles you're thrown into are anything but simple. Wield the abilities of an engineer, and take on challenges that no one expects from a hero. The game world is the last place where the war will be fought, but it is also home to a thousand wonders all waiting to be discovered. Accomplish the impossible and restore the balance with your undying determination. In the end, the whole world will owe you a huge debt.
