### Elden Lords from all over the world will unite for the Moment War...

- Fantasy Action RPG 1.0
- Additional Announcement coming this summer
- New Ratings on Nintendo Switch
- We will continue to communicate with you in June!“The referendum campaign was conducted publicly, with public spending of 2.6-billion kronor, which included the election campaign, and it was financed in full through public money,” Margot Wallström writes in the text of her book “The struggle for clean leadership - how I tried to force the hand of change when there was no political force to be found,” focusing on her role as Secretary-General of the SOS Julerås, the citizens’ movement that effectively steered the government between the Social Democrats and the Moderates. The controversial high vote for “the centre”, which went from 63.4 % in March 2011 to 68.7 % in September, can probably be placed at the feet of Wallström. Regarding the Strategic Communication 2015, she wrote: “It

Hunter's Journal: "The gameplay is quite beautiful and really makes you enjoy playing the game. So far, there are 6 heroes (possible more) in the game and each of them can be customized. You can find different fantasy weapons at the shop. Its gameplay is fun and nice to play. I can say that the game is a real challenge to players and its story is appealing and interesting so far." ClosetGamer: "I really like the fact that I can play offline when I want to and all can be played together online. No worrying about leaving my computer on, etc. And it feels great to have a game that can be enjoyed by several people online." Tome for the Dead: "RPG games are gaining ground on the number of regular gamers these days. While many people still like racing or sports games, even the younger generation likes to play RPGs as well. Tarnished is the next big thing in the gaming world. It's time to stop apologizing for video games." Elitestips: "I liked that you can play the game offline or online. You can manage your armor, weapons, items, and many other things to improve their abilities. It's fun to develop your stats and become a new hero with a variety of weapons. It's definitely worth playing and getting into." Gameplanet: "It has just a few hurdles to jump over...Giants, complex systems, slow loading times, and so on. When all is said and done, though, Tarnished is one heck of a game. It has a number of small touches that greatly improve the experience, and the overall fluidity and control of the game make it a terrific PC title." Gameplanet: "Not to start an argument, but I'm going to stand by this statement: Tarnished is not a PC game. It's not intended to be, and it doesn't really do much to enhance the experience of the PC platform. While these problems are undoubtedly minor, they're a little too much to overcome in an action RPG designed around the use of the controller." 99gamers: "I have to agree with one of the reviewers already. The PC game is actually much better than the console version. The controls are actually quite nice, and the other reviewers were wrong about the controls. The interface is very good and everything is kept in the right place." Gamerscape: "The first thing that I really like about bff6bb2d33

1. INTRODUCTION: The Doors to the Lands Between, the Heart of Elden, await those seeking to rise in power. \* “Tarnished” — Change your name to a new name. \* “Elden” — For the first time, the Elden Ring will be complete. \* “Rise” — Make your way to the lands between, and meet new people. \* “Brandish” — Brandish your strong body with the Elden Ring and become a powerful lord. \* “Brandish” — Brandish your strong magic with the Elden Ring and become a powerful lord. \* “Brandish” — Brandish your strong class with the Elden Ring and become a powerful lord. \* “Brandish” — Face an even more powerful lord and win the title of the Greatest. 2. HOW TO PLAY Story Mode In a new fantasy action RPG, the story mode will let you start from the beginning of a new life. By joining the “Rise” story, you can begin a new life in the town of the land between, interacting with a new character. In order to proceed, players will be able to select the character’s class (monk, priest, knight, mage), and choose a custom name (name change). Take on another quest, level up, and seek adventure! \* In order to continue a quest, you will need to complete it. In order to move on to the next quest, you must defeat the enemies you meet. If defeated, you will also lose the quest item (“Quen,” “Qua”). If you lose a quest item, you will be able to try again until you obtain it. Each quest will contain items that will be used to change your class and acquire powerful classes. In order to acquire class-specific skills, you will need to equip the relevant class-specific skills. Combat In the end, you will be able to battle the hardest enemies. By continuously attacking, you will be able to collect rewards, raise your level, and gradually acquire new skills. 3. CLASSES \* “D” stands for the class difficulty. \* “+” stands for the number of attack points. Classes can be selected by clicking on the “Class
