An ancient legacy, a legendary treasure, In the Lands Between, the conditions for a life of ease are broken. The wise men who sought to preserve the destiny of the Elden Ring have been absent for a long time. Not content with their preservation, they zealously seek to bring the power of the Elden Ring to life. The goal of the Elves is to pass the power of the Elden Ring to you, a hero standing on the threshold of the Ancestral World, so that you can cleanse the generations of neglect. "In the Legend of the Elden Ring, we have entrusted you with the power of the Elden Ring. We have entrusted you with the power of the Ancestral World." ■ What is an Elden Ring? The power of the Elden Ring is a solemn covenant that has been entrusted to you by the Elves. The Jewel of the Elden Ring is considered to be the most important piece of treasure to be found. The power of the Elden Ring, which the Elves derived from the Ancients, is intended to be given to you, a hero who has been born from the ancestral world that is protected by the Elves. The power of the Elden Ring is the one destined to endure the truth of the Ancestral World. The Elves learned about the Elden Ring from the Ancients who dwelled in the Ancestral World and entrusted the power of the Elden Ring to them, who then passed it on to their descendants for safekeeping. They believed that the power of the Elden Ring was the salvation of all people and the resolution of all conflicts. The Elves were given a resplendent tradition of their own and received a power that they are able to use in our world, but as a result, they lost sight of the past and forgot the truth of the Ancestral World. Elves have forgotten the truth of the Ancestral World in the Lands Between, which is protected by the Elves. ■ Why are the Elves here? The Elves' hometown, the Ancestral World, was originally granted to them by the Ancients. They were originally a tribe that possessed magic. The power of the Elden Ring is the power they received from the Ancients. They learned how to live from the Ancients, but lost the ability to protect the Ancestral World because they forgot the truth of the Ancestral World. Elves have forgotten the truth of the Ancestral World in the Lands Between, which is protected
