A Logos for Games, Logos of Games, Names and Logo
designer for Games How Logos work: They are shortcuts to
your imagination and potential, and serve as a combination
of the logos in this theme as they create a logo that
represents who you are and makes a statement about the
kind of person you are and what you stand for. This is more
than just a simple artwork, and it is an expression of who
you are and what you stand for. . Graphics and Logo Design
Tools Designed specifically for the creation of logos,
graphics and websites, these tools are ready-made for the
creation of professional looking materials. Not just a one-
time purchase, these products can and should be used over
and over again for the creation of many different projects.

A lost age: The emergence of water. Video Game - Introduction

In a time past, in a land of fantasy, legend, and myth existed nine worlds and nine races. Each race, despite their differing physiology, had one thing in common: they all lived by the same law. Each race was an individual, as were their civilizations, but they all agreed that in all situations, the survival of a species trumps the self-interest of its individual members. The law they lived by was simple: Life trumps death, free will trumps destiny, knowledge trumps ignorance. Known as the Magus race, they are the guardians of the law. They shun violence and work instead to ensure that the way of life is continued. They employ a legendary code of ethics, most of which are expressed through the use of powerful gauntlets which they never wear unless they intend to fight a duel. Their existence is intertwined with the fate of the world, and they are charged with keeping the balance of nature. This is the law that all Magus have sworn by, regardless of their race,
