

author of the book about new borrowings in Lithuanian language Naujieji lietu-. Aspects of German-Lithuanian business communication. Munich: Iudicium. 1997, No 12. Ði. 174.). The author of the article points out that since the end of the nineteenth century Lithuanian has had borrowings in German business texts. For example, these are the words "tiekumas" (service), "toleranzierung" (tolerance, liberalism), "bargenuist" (housekeeper, thrifty), "kontrolinis" (control). A. Shleicher, of course, is right, noting that "according to many researchers, Lithuanian language does not exist" (Shleicher A. Does not exist Lithuanian language? // Vilnius review. 1995, No 15. Ði. 6.).
